

## 400P | PROTECTOLUBE® 4000

### DESCRIPTION:

PROTECTOLUBE® 4000 was developed for the U.S. Defense (War) Department in the early 1940's. PROTECTOLUBE® 4000 is a multifunctional penetrating lubricant. PROTECTOLUBE® 4000 cleans as well as lubricates. Organic acids are neutralized and oxidation is stabilized. Although invented in the 40's, it contains the latest technologies in its formulation.

### COMPOSITION:

PROTECTOLUBE® 4000 is blended from carefully selected prime "heart-cut" neutrals, conditioners, acid neutralizers, moisture absorbing agents, friction release compounds and pure mineral base top oils. It contains the same additives as our Protect-O-Lube® 400, the only difference is that PROTECTOLUBE® 4000 is bottled in an aerosol can.

It also contains a unique blend of:

- Rust Inhibitors
- Penetration Agents
- Oxidation Inhibitors
- Dispersant Additives
- Oiliness Additives
- Cleaning Additives
- Corrosion Inhibitors
- Oxygenated Solvents

### PERFORMANCE CHARACTERISTICS:

- Reduces Friction Drag
- Neutralizes All Harmful Acids
- Eliminates Sticky Mechanisms
- Cleans and Lubricates Throttle Plates
- Eliminates Carbon, Varnish and Sludge
- Releases Rusted Parts
- Forces Out Moisture
- Oils Guns For Protection
- Dissolves Adhesives
- Liberates Gummy Mechanisms
- Halts Squeaks
- Prevents Rust
- Cleans and Protects Metal Parts

### USES:

PROTECTOLUBE® 4000 is recommended for use in absorbing moisture, removing carbon, gum, sludge and varnish deposits, and penetrating rusted bolts or applied as a superior rust preventative on boats, ships, off-road machinery, farm implements, firearms, fertilizer storage and application equipment and many other similar uses.

Do not store in temperatures above 120°F.

### TYPICAL SPECIFICATIONS:

Flash Point, (COC), Open Flame	102°F
Copper Strip Corrosion	Pass – Class 1
Carbon Residue	.008%
Pour Point	-80°F
Color	Amber
Density (#/gal)	7.3 – 7.5
Viscosity @ 100°F	30 SUS
Moisture Test	Excellent
Humidity Cabinet Test	Pass
Acid Test	Excellent
Varnish & Gum Test	Excellent
Penetration Test	Pass
