Dear Mr. Moore:

I am impressed! With a great level of skepticism, as you know, I agreed to try your Syn-O-Gen[®] #702 Synthetic 2-Cycle Engine Oil with Fuel Stabilizer.

My employees reported greater power, quicker starts and overall a high level of satisfaction. If their engines have more power, then that means to me more work in less time!

Thanks for your perseverance; it appears that your product is a great value.

Respectfully,
